PRESENT

Steven Dietz's new adaptation of Bram Stoker's classic novel . . .

DRACULA

Directed by Jeffrey Scott

This new adaptation restores the suspense and seduction of Bram Stoker's classic novel. Rich with both humor and horror, this play paints a wickedly theatrical picture of Stoker's famous vampire. "I want your fear. For your fear, like a current, rushes through your body. Your fear makes your heart pound. It renders your veins rich and full. Your fear hemorrhages deliciously within you."
