January 18 Wednesday Glen Sanders

Presenter: Lawrence A. (Lon) Penna, Niskayuna Rotarian

There is no doubt that society's future depends on students gaining the confidence and skills to be happy productive members of society. At their October 11 breakfast meeting, Niskayuna Rotary will be reviewing their Adopt-A-School activities, including tools each of us can use to support our schools such as DonorsChoose.org; Sponsor-A-Scholar (crsas.org); ReadingIsFun.org and ComputerRehab.org. All Rotary meetings are open to the public. Niskayuna Rotary looks forward to welcoming guests to their meetings, every Tuesday morning, 7:15 AM to 8:15 AM at the Blue Ribbon Restaurant & Bakery, 1801 State St (Route 5). Community minded individuals are invited and encouraged to attend. The presentation will also describe Niskayuna Rotary's Adopt-A-School project, featuring how Elfun Computers continue to play an important role. The presentation will conclude with multiple ways organizations and individuals can support local education, including the following outside-Rotary projects: Sponsor-A-Scholar crsas.org; ReadingIsFun.org; Each One, Reach One (EORO) Summer Reading Program; DonorsChoose.org; Boy Scout Camperships, ComputerRehab.org, etc. Because I have 45 minutes, I will gladly add the impact Elfun computers are having internationally and with the deaf and cerebral palsy communities. Plus about the availability of free books that Elfun's can have shipped free to NY or any port in the world, and a microcredit organization that is uplifting the world (Kiva.org). If permitted I would like to provide a brief description of Rotary and when and where club's meet.
