PRESENT

John Patrick's high comedy . . .

The Curious Savage

Directed by Jennifer Vanlderstyne

Mrs. Savage has been left ten million dollars by her husband and wants to make the best of it, in spite of her step-children's efforts to have her committed to "bring her to her senses" and thus gain access to her fortune. The dominant mood is high comedy, and the audience is left with a feeling that the neglected virtues of kindness and affection have not been entirely lost in a world that seems at times motivated only by greed and dishonesty.
