Steven Dietz's devious and delightful romp . . .

Becky's New Car

Directed by Melissa Lacijan

Have you ever been tempted to flee your own life? Becky Foster is caught in middle age, middle management and in a middling marriage—with no prospects for change on the horizon. Then one night a socially inept and grief-struck millionaire stumbles into the car dealership where Becky works. Becky is offered nothing short of a new life...and the audience is offered a chance to ride shotgun in a way that most plays wouldn't dare. BECKY'S NEW CAR is a thoroughly original comedy with serious overtones, a devious and delightful romp down the road not taken.
