

Elfun Society and the Mohawk Valley Library System Present  
Science @ the Library – 2011

The Elfun Science @ the Library Summer Programs are fun for children, families AND volunteers! Elfuns work with Sue Rokos, of the Mohawk Valley Library Association, to bring hands on science to the community. Volunteers are needed at the events below to interact with children, showing them some simple science "toys," and helping them use the many "cool" items in our collection such as magnets, color separation, an Air ZookA (a big favorite), and a variety of devices that produce electricity.

For information on program items, see the MVLS Website under the "Programs" listing, then Science@theLibrary.

<http://www.mvls.info/science@thelibrary/scienceatlibrary-index.htm>

If you have questions, or to volunteer for one or more programs below, contact Sue Rokos, Mohawk Vally Library Association, at 355-2010, Ext. 226 (srokos@mvls.info).
